TABLEWARE

Shaping the
plastic free future

100% Compostable
Naturally Better.

Shaping the plastic free future™

With

Canepulp™

MADE FROM
SUGARCANE
BAGASSE

Canepulp™ is a brand of Greenflix Bioware Private limited.

We are manufacturing eco-friendly tableware,

It is made from sugarcane bagasse,
a renewable and sustainable resource.

The bagasse is pulp moulded into
various shapes and forms, creating
sturdy and durable tableware items.

Our products are perfect for
restaurants, cafes, and events
looking to reduce their
environmental footprint.

By choosing our biodegradable
tableware, you are supporting
a more sustainable future.
